### NOTE:

If anyone needs to telephone a student in the event of an emergency, that person should call the Director of Public Safety at Drew University, Tom Evans, at (973) 408-4444 to get numbers and any additional information. The people who work at the children's homes ask us to ask people not to telephone for non-emergency reasons--the students may not always be easy to locate and the staff are very busy trying to take care of so many children!!!

Students may be able to call home when we return to Tegucigalpa (but please remember that telephone calls are expensive, public telephones can be unreliable, and students are on a limited budget!).

**IF THERE ARE ANY PROBLEMS, CHIEF EVANS HAS CONTACT NUMBERS AND WILL BE IN TOUCH WITH FAMILY MEMBERS.**

**IN THE EVENT OF AN EMERGENCY: Sandra's cell phone works in Honduras:
